Prayer Guidelines:

2 Sam 22:49 & 50

“And bring me out from my enemies, You raise me up above those rising up against me: You deliver me from a man of violence. Therefore, I give thanks to you, O God among all nations.”

Father, in the Name of Yeshua I repent of any sin, iniquity or transgression that opened the door to the enemy and allowed this technology to enter my body and be activated. If I gave permission through accepting any medication, medical procedure, vaccine, or anything else applicable but not mentioned, and this allowed the SIT's to enter my body, I repent Father, and revoke any permission I knowingly or unknowingly gave the enemy to insert any technology into my body.

Father, I come before you now in the name of our King Yeshua. I pray that You quantumly untangle me from the technology of

_____ (enter SIT name), the
assignment of the technology

_____ (enter the assignment
based on the description found on the SIT chart), and that you cancel this
demonic mission the technology had in my body.

Father, in the Name of Yeshua, I ask You to consume this technology with the Blood of Yeshua and reduce it to a quantum mass of zero.

Father, in the Name of Yeshua I ask that You cut me loose: spirit, body, soul and energy body from any quantum computer, node, matrix, grid, system, power source, back-up quantum computer, back-up node, back-up matrix, back-up grid, back-up system, back-up power source. Father, I ask that You destroy those quantum computers, nodes, matrixes, grids, systems, power sources, back-up quantum computers, back-up nodes, back-up matrixes, back-up grids, back-up systems, back-up power sources with the Fire of the Holy Spirit.

Father, I ask that You send the angels to redeem every part of me and my energy that was stuck in those demonic systems, cleanse it with the Blood of Yeshua, and restore it to me in the Name of Yeshua. Father, I also ask that You wipe all of my information that was gathered through this technology from the databases of satan, in the Name of Yeshua.

Father, in the Name of Yeshua, I now cut myself loose, body, soul and spirit and quantumly untangle myself from this entity of _____ (enter entity's name) and the gatekeeper _____ (enter gatekeeper's name) that was assigned over this technology.

Father, in the Name of Yeshua, I ask that You will send the warring angels to relieve this entity and gatekeeper of their power, authority and claims over my life. I declare Father, that the only valid claim on my life belongs to You!

I declare now over every entity and gatekeeper: GOD (*YHWH Elohim*) rebuke you!

Father, I now cancel the demonic assignment of every dead human spirit under the entity of _____ (enter entity's name) and the gatekeeper _____ (enter gatekeeper's name) in the Name of Yeshua. I cut myself loose from every dead human spirit, I ask that You release them from my silver cord, unearth them, I open the silver channels, and send the angels and that they will now take every dead human spirit to wherever You need to take them in the Name of Yeshua.

Father, in the Name of Yeshua I break the curse of _____ (enter applicable curse), thank You Father, that Yeshua became a curse on the cross, and paid the full price, in order for me to be free. I ask that You now turn this curse into a blessing in the Name of Yeshua. I break every trigger mechanism, inverted curse, vortex curse, reversals, regenerators, reset hooks, infinity loops, flipped, clones duplicated or backup system in a backup system in a backup system that was

supposed to bring the curse back in Yeshua's Name. I seal this prayer with the Blood of Yeshua and ask that You will not allow any backlash, whiplash, punishment or judgement to come over me of my loved ones due to this prayer in the Name of Yeshua.

Amen
