

EMOTIONAL EQUILIBRIUM

EST. 2019

Dear new client,

Thank you very much for contacting me. I am looking forward to working with you in the future.

Please find my website attached to this message. If possible, can you please read through the “FAQ”, “What to expect”, and “Sessions” tabs to ensure your session time is used optimally.

Find the Client form in the "Client Form" tab.

Download, complete, and sign the Client form, and send it to 0767827254 (WhatsApp). Make a booking via WhatsApp (Please note, WhatsApp is for BOOKINGS ONLY). Consulting is done over Skype, Zoom, or WhatsApp.

Please complete the client form to book a consultation. We can confirm your session as soon as you have sent me the completed form. Please ensure you send a photo along with your customer form. If you are unable to attend a session, I can work from the photo just as well.

Please note that all sessions should be paid for 24 hours in advance in order to secure them. Failure to do so might end in loss of the session time. All sessions can be done via Skype, Zoom, WhatsApp, or as a photo session. You are more than welcome to choose which is most convenient for you.

We are situated on +2 GMT (Johannesburg) time. Zoom link will be sent to you; you will use the same Zoom link for every session.

Please see the prices for the sessions on the next page
