What is the Godly Quantum Genome Sequence (GQGS)

God gave us a Godly / Heavenly Genome (genetic code) that was intended to give us natural immunity against pathogens and the forces of darkness, to protect our bodies and keep its function (to host the spirit and the soul). We were never supposed to host pathogens (viruses, bacteria, fungi, parasites, and mould) that cause harm to our bodies. Unfortunately over many generations iniquities build up, and part of making us aware of iniquity on the Genome sequence, we lose our Godly immunity (Genome) and we become more and more susceptible to these pathogens over time as a way to get us to repent and turn back to our creator.

Along with the development of our modern society, we as humans have not only helped pathogens evolve genetically manipulate it, we also create Nano-technologies and interfere with the natural sequences of these pathogens. Over time pathogens (which are living organisms, have become smarter in masking themselves making it more difficult for the immune system to find them.

This prayer is to help reactivate your Godly genome.

General repentance before prayer:

Father, I bring myself, my bloodline on my mother and father's side of the family before You. I pray and ask for forgiveness for any doors I or my forefathers opened through our sins, transgressions and iniquity, all the way back to Adam and Eve.

- I repent of any and all idolatry or worshiping of other God's or doing my own will instead of Your will,
- Forgive me for making ungodly covenants with entities or people,
- Wash away all sexual immorality and forgive me and my forefathers for allowing conversations or any form of entertainment with sexual undertones or content,
- Wash me clean of any bloodshed, gossip or murder by words that I or my forefathers committed and
- Forgive any and all witchcraft.
- Forgive us for not keeping Your Word as intended and following our own logic instead of the guidance of Your Word.
- Father, forgive us all the way back to Adam and Eve for any Faustian Bargains or trading of souls in exchange for gifts or rewards from demons or fallen angels.

Father, I agree with my accuser, and I ask for Your mercy and the Blood of Yeshua (Jesus Christ) to cover these sins, transgressions and iniquity now.

Prayer

Please note this prayer is written in such a way that you can pray it for yourself and others. Adapt the prayer according to your needs

Father I come before You today in The Name of Yeshua (Jesus Christ) (Jesus Christ). Father I thank You that Your word says that You will restore our health and heal us of all our wounds (Yer 30:17). Father I ask that You now upload the Godly Quantum Genome Sequence up onto

_____ 's (name of person) DNA, RNA and genome sequence, as an epigenetic marker that will activate the sequence on the DNA as a Godly part of the immune system.

Father we ask forgiveness for any iniquity on the DNA of idolatry, ungodly covenants, sexual sin, bloodshed, witchcraft or breaking Your commandants that has prohibited this Godly Quantum Genome Sequence to be activated. We pray that the blood of Yeshua (Jesus Christ) will cover all these iniquities and all sins with grace.

I ask that this Godly Quantum Genome Sequence that You have uploaded will be Special Forces, that the immune system will be deployed and activated now and for any future events where any form of technology or pathogen has entered the body.

I pray and ask that You will help the white blood cells, immune system organs and every immune system reaction to be uploaded and powered with Your Godly Quantum Genome Sequence.

That everything currently in the body or anything trying to enter the body in the future will fall under the authority of the One True God of Abraham, Isaac and Jacob. That _____ (person's name) will have an everlasting covenant with You of protection on the DNA. I also pray that this Godly Quantum Genome Sequence will be added as an epigenetic marker to _____ 's (person's name) DNA that will be passed down to the 1000th generation.

Father, please help that the Godly Quantum Genome Sequence will identify and destroy every technology or micro-organism, to crush it that it will have no mass or weight and that it will have no quantum entanglement or function in the body. May You rebuke their assignments and adaptations to hide in the body.

We ask that You destroy everything through the GQGS anything that is capable of:

bending light,

breaking down communication,

bending gravity,

lensing light,

fragmenting time,

that You will untangle any quantum entanglement that is ungodly

and send Your broom of destruction to destroy any all things that is not from Your kingdom

That You will remove every ungodly photon,

any mycoplasma fragmentation,

any anti-biotic resistance bacteria or pathogen,

micro trap that uses quantum information in _____ (person's name) body and cut them loose from all ungodly connections to the atoms in the body,

please remove any black goo that is functioning as one system of pathogens in the body,

all programmable matter,

all AI (artificial intelligence),

any archons,

or insects or spiders that has bitten _____ (person's name) and released venom into the body, I quantumly untangle

_____ (person's name) physically and spiritually from the venom and the actions of the venom,

Father remove any Morgellons disease on the skin that leads to mental illness,

Any co-opted insects or genetically manipulated insects and their DNA,

Remove any transhumanism through genetic manipulation, mass surveillance, waves, frequencies, sound and vibrations or echoes.

Remove any psychotropic connection through the study of the human interaction between matter, energy and the minds of _____ (person's name),

Father, remove:

any black magic,

smart dust,

nanotechnology,

energy pathogens, physical pathogens, inherited pathogens,

memories of disease and sickness memory, inherited disease (miasms),

any form of covid 19, strain of covid 19 or

any test (PCR, covid test) that has transferred anything above into the body _____ (person's name).

We quantumly untangle _____ (person's name) from any grids or matrixes they have been connected to.

We pray that any information that has been taken out of the body by the above mentioned organisms will be filtered through the blood of Yeshua (Jesus Christ) back to _____'s (person's name) body and that the body will be sealed off with the blood of Yeshua (Jesus Christ).

I seal of the DNA of _____ (person's name) with the blood of Yeshua (Jesus Christ), and take out comprehensive insurance form You for protection for _____ (person's name) and _____ (consultant's name) and our families against any form of backlash, whiplash, judgement or punishment in Yeshua (Jesus Christ)'s name

Amen
